Today Comes

The Promised Christmas Sale of 410 Winter Overcoats

150 of \$30 grade at \$19.50 130 of \$35 to \$40 grades at 24.50 130 of \$40 grade at 30.00

Chesterfields, long coats, ulsters; black, Oxford, Cambridge gray, some very fine fancy mixtures, and blue-in chinchilla.

This is the first half of the double offering—overcoats. Tomorrow will follow an important sale of business suits.

It is a typical Wanamaker Offering.

All the overcoats have the Wanamaker Style-standard in the circles of better-dressed men. All the details of fabrics, colors, trimmings, inner workmanship,

hand-tailoring, may be depended upon. At every point the QUALITY stays up while the PRICE comes down-otherwise the overcoats could not be advertised here as a special sale.

For \$19.50 Chesterfield cheviot coats, black, Oxford and Cambridge gray, silk velvet collar, satin-lined sleeves, serge body lining. They are \$30 coats.

For \$24.50—Double-breasted overcoats, 52 inches long, of fancy fabrics in a variety of colorings, satin-lined to waist, plaid back, convertible collar; \$35 to \$40 grades.

For \$30 Blue chinchilla ulsters, satin vokes, satin lined sleeves, belted back, double-breasted, shawl collars. We could have made \$780 by selling these coats back to the maker. Only 130 of them, \$40 and more in other shops today.

No man of good taste, whatever his size, will fail to find the coat he wants if he will come early. Nine out of ten men will be able to wear the coat they select, and have the old one sent home.

Good Sweaters-Men Say They Are "Best"

One man gave a \$10 bill to a clerk who was somewhat of an athlete, and knew a little about sweaters, and told him to go to every shop in New York and bring him the two best sweaters he could find for the money.

He found them at Wanamaker's!

Here's the list he chose from, all pure wool woven in the durable worsted weave, all coat style, all uniform in quality; sizes 34 to 46:

At \$3, \$4 and \$5—Navy, white, light gray, cardinal.

At \$5.50—Heavy shakerknit sweaters, light Oxford, dark Oxford and pure white.

At \$6.50-Ruff-neck shakerknit, heavy sweaters, in light and dark Oxford. Also collarless and regular collar sweaters, in mixtures of brown and green, light and dark Oxford, white, brown
